- I dedicate my time to helping customers with existing/past/future problems by answering their questions and concerns.
- I take my time with each individual customer to ensure their satisfaction between myself and our company's compliance and resolve.
- I hold a calm and level demeanor in any given situation.

PROFESSIONAL SUMMARY

I consider myself a dedicated team member with excellent communication skills and a composed demeanor.

I practice problem solving, good listening skills, and learn quickly to assure a productive environment.

Willing to put myself out there and provide support amongst my team.

Looking to make a difference and hold motivation to do so.

Pursuing a position with greater responsibilities and potential for advancement.

Customer satisfaction and a collaborative team are my top priorities.
