EXPERIENCE

Security Officer, Hard Rock Hotels & Casinos, February 2018-June 2021, Las Vegas, NV. (Supervisor Christopher Crockett 408-466-9750)

- Worked with local and federal law enforcement agents to apprehend suspicious individuals.
- Circulated among patrons and customers to keep abreast of emergent security situations.
- Searched individuals and baggage for devices, weapons and other prohibited items.
- Operated and maintained x-ray and metal detection devices at building checkpoints.
- Investigated alarms and disturbances to maintain safety.
- Enforced security regulations and escorted non-compliant individuals to private areas for processing.
- Responded to emergency situations quickly to minimize risk and injury.
- Entered information into databases regarding emergency events, property tracking, and data of trespassed individuals.

Security Officer, Triton Security, May 2017-January 2018, Las Vegas, NV. (877-757-0909)

- Worked with local and federal law enforcement agents to apprehend suspicious individuals.
- Circulated among patrons and customers to keep abreast of emergent security situations.
- Vehicle patrols and report writings of residential areas.

Security Officer, SOS Security, January 2015-May 2015, Las Vegas, NV. (702-889-4975)

- Worked with local and federal law enforcement agents to apprehend suspicious individuals.

- Circulated among patrons and customers to keep abreast of emergent security situations.
- Retail store loss prevention.

Security Officer, Tahiti Village, July 2014-January 2015 Las Vegas, NV. (702-440-6800)

- Worked with local and federal law enforcement agents to apprehend suspicious individuals.
- Circulated among patrons and customers to keep abreast of emergent security situations.
- Security foot patrols and reporting.

Military Human Intelligence Collector, US Army, Specialist Rank August 2011-May 2014

Fort Hood, TX (Supervisor Sgt. Nicholas Dudyshyn 845-803-4449)

- Participated in training in source operations and interrogations of prisoners of war or civilians, preparing intelligence briefings, use of analytical tools, biometrics and reporting databases, and exploitation of captured documents or items.
- Gathered simulated details about the enemy, including notable strengths, tactics, intentions, dispositions, and equipment.
- Wrote simulated reports on incidents, incoming threats and other concerns.
- Checked the clearances and eligibility of more than 500 personnel each week.
- Supported operational planning and execution of intelligence operations (IO) and military information support operations (MISO), including liaising with other intelligence agencies and operational forces in contribution of future and daily operations.
- Enhanced emergency preparedness procedures, commanding oversight and maintenance of tactical plans, equipment, and weapons.
- Performed in close quarters combat in simulation and live-fire exercises.
- Received an Army Achievement medal for outstanding performance and winning Soldier of the Quarter Board in Fort Huachuca, AZ.

EDUCATION AND TRAINING

Bachelor of Science

Criminal Justice-Forensics, American Military University, Charles Town, WV

-Classes included topics of evidence processing, fingerprints, blood spatter analysis, crime scene photography, firearms analysis, and many more forensics areas.

-GPA at time of graduation was **3.69** and included time spent on the Honor Roll.

-Will soon be pursuing certifications from forensics training organizations, including the International Association of Property and Evidence Specialist (IAPE).

-Certificates from National Institute of Justice in Death Scene Investigations and in Emerging Forensic Research for Medicolegal Investigations, which both count towards American Board of Medicolegal Death Investigators (ABMDI) credits.

-Certificate of Recognition for participation in 2021 Global Webinar on Forensic Science.
